24 TEST SYSTEMS, INC., a California Corporation;
25 and SILICON TEST SOLUTIONS, LLC, a
26 California Limited Liability Corporation,
27 inclusive,

28 Defendants.

Case No. C07 04330 RMW (HRL)

**PLAINTIFF'S ADMINISTRATIVE
MOTION FOR LEAVE TO FILE
DOCUMENTS UNDER SEAL**

Judge: Honorable Ronald M. Whyte
Ctrm: 6

1 Pursuant to Civil Local Rules 7-11(a) and 79-5(b), Plaintiff Verigy U.S., Inc. ("Plaintiff"
2 or "Verigy") requests that the following materials be filed under seal, as they contain confidential
3 information that is protected by the Stipulated Protective Order entered by the Court on August
4 29, 2007. The documents submitted under seal include:

5 1. Exhibit A to the Joint letter Brief submitted at the Court's request.

6 These materials (hereafter "the Materials") disclose information that has been designated
7 as "Confidential" by the parties under the Protective Order, without objection to those
8 designations (although Verigy reserves its rights to challenge such designations pursuant to the
9 Stipulated Protective Order). Although the information in the Materials has been designated as
10 protected from disclosure under the Protective Order, Verigy must rely on this information in
11 support of the Letter Brief. The parties' confidentiality interest therefore overcomes the right of
12 public access to the record, as a substantial probability exists that the parties' overriding
13 confidentiality interest will be prejudiced if the record is not sealed. Further, the proposed sealing
14 is narrowly tailored and no less restrictive means exist to achieve this overriding interest

15 Pursuant to Local Civil Rule 79-5(b)-(c), Verigy therefore lodges the Materials with this
16 Court, and respectfully requests leave to file the aforementioned documents under seal.

17 Respectfully submitted.

18 Dated: June 19, 2008
